

Native Perennials

On the East Coast

Native plants have evolved and adapted to local conditions over thousands of years. They are vigorous and hardy, able to survive in the winter cold and summer heat. Once established, they require no irrigation or fertilization. They are resistant to most pests and diseases. Native plants also provide food and shelter for birds, butterflies and other desirable wildlife. Many help to enrich the soil. Their root systems help rainfall percolate into the soil, reducing erosion and runoff.

All Perennials native to our area:

Agastache Apricot Sprite	Dodecatheon	Grass - Stipa	Phlox divaricata
Agastache Golden Jubilee	Echinacea	Helenium autumnale	Phlox glabberima
Agastache rupestris	Eryngium yuccifolium	Helianthus	Phlox paniculata
Agave virginica	Eupatorium	Heliopsis	Phlox pilosa
Amsonia	Fern - Christmas	Heuchera americana	Phlox stolonifera
Anemone canadensis	Fern - Cinnamon	Heuchera micrantha	Phlox subulata
Antennaria dioica	Fern - Goldies	Heuchera sanguinea	Physostegia
Aquilegia canadensis	Fern - Hayscented	Heuchera villosa	Podophyllum
Aquilegia chrysantha	Fern - Lady	Hibiscus coccineus	Polemonium reptans
Arisaema triphylla	Fern - Leatherwood	Hibiscus moscheutos	Rudbeckia
Artemisia ludoviciana	Fern - Log	Hydrangea Annabelle	Salvia greggii (mosta)
Aruncus diocus	Fern - Male	Hydrangea quercifolia	Salvia lyrata
Asarum canadense	Fern - New York	Iris cristata	Sanguinaria
Asclepias	Fern - Ostrich	Iris louisiana	Silene caroliniana
Aster cordifolius	Fern - Royal	Iris versicolor	Silene regia
Aster divaricatus	Fern - Sensitive	Leucanthemum vulgare	Silene virginica
Aster dumosus	Fern - Southern River	Liatris	Solidago
Aster ericoides	Fern - Virginia Chain	Lobelia cardinalis	Spiranthes
Aster oblongifolius	Gaillardia	Lobelia siphilitica	Stokesia laevis
Aster prostrata	Gaura	Lonicera John Clayton	Stylophorum
Aster novae-angliae	Geranium maculatum	Lonicera semp.	Teucrium canadense
Baptisia	Grass - Andropogon	Lupinus	Tiarella cordifolia
Boltonia	Grass - Carex	Meehania	Tiarella wherryi
Callicarpa americana	flaccasperma	Mertensia	Tradescantia
Callirhoe	Grass - Carex	Mitchella	Trillium
Caltha palustris	laxiculmus	Monarda didyma	Verbena canadensis
Calylophus	Grass - Carex	Oenothera	Vernonia
Campsis	pennsylvanica	Opuntia - some	Veronicastrum
Chelone	Grass - Chasmanthium	Passiflora	Viola labradorica
Chrysogonum virg.	Grass - Eragrostis elliotii	Penstemon barbatus	Viola pedata
Cimicifuga racemosa	Grass - Eragrostis spectabilis	Penstemon digitalis	Zizia aurea
Coreopsis a. 'Nana'	Grass - Juncus effusus	Penstemon grandiflorus	
Coreopsis grandiflora	Grass - Muhlenbergia	Penstemon	
Coreopsis rosea	Grass - Panicum	heterophyllus	
Coreopsis verticillata	Grass - Phalaris	Penstemon pinifolius	
Dicentra eximia	Grass - Phalaris	Penstemon smallii	
	Grass - Schizachyrium	Penstemon strictus	
	Grass - Sporobolus	Phlox carolina
